

YOU'RE INVITED

Nyssa Chamber of Commerce has two main street contests for our local businesses and organizations. Now you don't have to be a "Main Street" organization to be included, we want the whole community to help transform our town for the upcoming holidays. Your participation helps showcase what makes Nyssa a beautiful place to live and grow families. Our hometown pride that features sharing, positive support and hard working families is what inspires the Nyssa Chamber of Commerce & Agriculture to keep growing. We know it will visit our community and our visitors.

WHAT IS HAPPENING?

We have a number of Holiday Events for our Community. We hope to encourage our businesses to participate and help transform our community. **These two contests for business will receive awards and publicity.** If we all work together this helps increase engagement and economic vitality for our area. Plus, **It is FUN!** Fun is something we consider to be missional at the Nyssa Chamber of Commerce & Agriculture.
