This annual September event brings together vintage car lovers and fantastic cooks as they compete for glory and bragging rights at the 14th annual Two Rivers Park Celebration on September 16th. Filled with fun for the whole family, Adrian hosts a variety of food vendors, craft vendors, and fun and unique shopping!

One of the most cherished events of the Two Rivers Park Celebration is the annual chili cook-off. The competition can get spicy, but the outcome is tasty! Chili cooking teams can chop, shred, soak and prepare in advance, however all cooking must be done on site and from scratch. Besides the saucy cars and kicking chili there will be shopping and food vendors. Live music and more for the family.

## THE TALLEST DAM IN THE WORLD - 1932 ENGINEERING IN THE DESERT

A regal element of architecture standing against the wild canyon walls, the Owyhee Dam is rimmed with art deco lamp posts like a crown. Many locals have not even ventured deep enough into the Owyhee Canyon to come upon this feat of engineering that changed our entire way of life. Owyhee Dam is a 417-foot-high, concrete thick-arch dam (or arch/gravity dam). At its completion in 1932, Owyhee was the tallest dam in the world, a short-lived distinction because it was superseded in 1936 with the completion of 726-foot high Hoover Dam. Owyhee Dam has engineering significance as the proving ground for construction techniques developed by Bureau of Reclamation engineers for use at Hoover Dam.

Tests conducted on the cooling and shrinking of mass concrete as it cured at Owyhee Dam helped assure Bureau engineers that their techniques would work at Hoover Dam. Historic apparatus for monitoring those tests is still in place on the interior of Owyhee Dam. Owyhee also has engineering significance for its ancillary features. The ring gate on the Owyhee Dam spillway was the first ever built. It was the first dam in which a freight elevator was installed. The needle valves in the outlet works for Owyhee Dam, which make it possible to regulate the discharge of water under very high pressure, represent a late stage in the evolution of such valves by the Bureau of Reclamation. Upon its completion, Owyhee Dam began storing water for use by farmers on the Owyhee Project, one of the most important in the development of irrigated agriculture in Oregon. So important that at one time it featured a Lodge, mercantile and even a "movie palace". We will be giving you an inside look at the Owyhee Dam history in upcoming issues. **CHAMBER BOARD:**

Meeting held at 6:30 PM on the first Tuesday of each month at the Waldo Conference Center

*Hello Nyssa.*

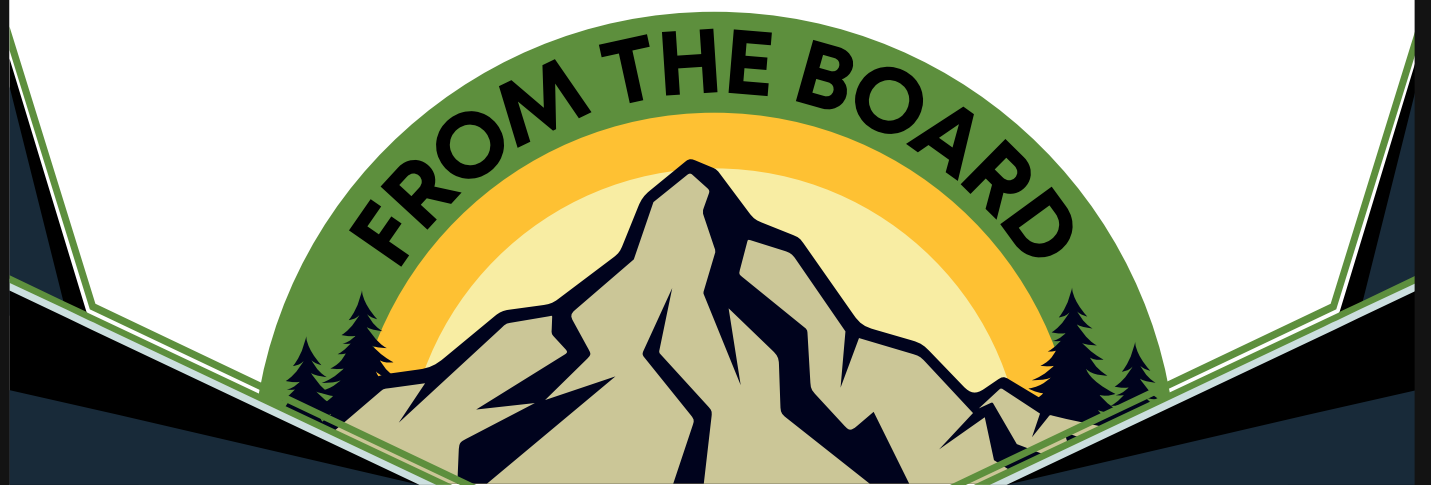

The Nyssa Chamber of Commerce has been in our community for a number of years. However, in recent years, there have been many changes to the leadership and goals of the Nyssa Chamber of Commerce. It has been a fun, but challenging time as we try to work towards building a better Nyssa.

With our newest board we have seen many positive changes. They have stepped up to build a new direction. Their commitment to their community is astounding. With their hard work we have built new relationships, bigger and better community events, and started to create strategic initiatives that will build a better chamber for our business and civic community.

So what is next? The Nyssa Chamber of Commerce is looking at new branding and communication directives, retooling our membership benefits, and increased business networking and training opportunities. We hope you are with us as we embark on this adventure.

Thank you for the consistent support and feedback. It helps us grow and serve our community in new and better ways. If you would like to be a part of this growth consider joining our board or volunteering. We need the help and the expertise of our community and business leaders so we can build a better Nyssa.

# Bulldog Summer

Baseball team in front of the Mariners Stadium. With Couch Sapp and Coach Beck.

Baseball team was invited onto the field and presented the check during the opening of the game.

Coach Sapp, Ryan Richardson, Michael Sanders, Hunter Allen, Shannon Berry, Kingston Bias, Zack Kausler, Photographed with the Mariner Moose.

Jae Rojas played with Tejano Outlaws a band out of Nampa during Thunder Egg days.

Bryce Wilkinson on Tuba practicing for Marching Band.

Oscar Sotelo Diaz, Jose Mucio Perfecto, and Raul Pascacio Salgado, perform at a graduation party.

Students attended band camp this summer as well. They practiced their instruments, as well as the steps needed for marching.

Photo'd left Sabrina Esteves (back drummer) Bryce Wilkinson (tuba) Tristen Jennings (Sax) Lane Fleharty (front drummer) with Band Director Egan. They sounded amazing can't wait to see them perform during games!

This summer, Nyssa HOSA represented Idaho HOSA at the International Leadership Conference (ILC) in Dallas, Texas. Over 12,000 members, judges and advisors joined together for the 46th annual conference at the Kay Bailey Hutchinson Convention Center. Members from all over the US, Puerto Rico, American Samoa, Canada, China, and Mexico participated in the conference June 21-24, 2023.

Nyssa HOSA students: Keighlee Bunker (Jr), Amber Lovitt (Sr) and James Hamilton (Jr) earned advancement to ILC by placing in the Idaho State Leadership Conference (SLC) in March.

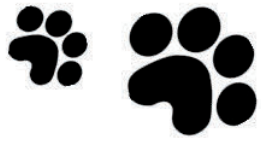

At ILC, Keighlee competed in Medical Assisting and placed in the top 25! Amber and James competed in Clinical Laboratory Science. All three members had the opportunity to add additional fun competitions to their week including National Geographic tests in Family Medicine Career, College Physics, and Biochemistry. Vendors present for the College and Career Fair held competitions in anatomy, which our members were able to participate in two of the competitions.

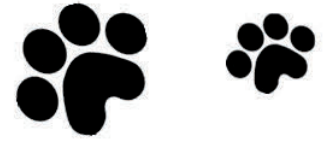

**HOSA CONT:** All three members had a fantastic time! Members saw, tired and learned new things. They networked with other members from all over the world! Nyssa HOSA, the Nyssa School District and Malheur ESD will continue to work hard to provide opportunities like this for our kids. Thank you again to our generous sponsors Nyssa Mercantile True Value, Thunderegg Coffee Company, and Munk Dental. We greatly appreciate your investment in our HOSA members, healthcare professionals of the future. Thank you to all of our wonderful community members that have supported our Nyssa HOSA fundraisers and events. Without ALL of you, Nyssa HOSA would never be able to participate in the activities your support allows! Thank you! We appreciate you!

Nyssa HOSA and Nyssa Middle School HOSA has many exciting things planned for the 2023-2024 school year! If you are a middle school or high school student interested in the medical field, or if you have a student in Nyssa Middle School or High School interested in the medical field, visit with Mrs De Witt for the Middle or High Schools and Ms Watts for the High School to learn more.

### CULTIVATING KINDNESS IN AN UNKIND WORLD

We all know that we want to be kind to one another but sometimes it's harder than others when we wake up and our bodies are filled with pain or the loneliness of losing a friend or missing a loved one is fresh on our minds; those are the times when it is harder to think of others first and how we can extend kindness to someone else. However, if on the hard days and the ones that come easy if we choose to simply be kind to others we offer hope in an unkind world. Sometimes we think that a little thing like a smile or hello or an extended invitation to visit with someone is no big deal, we think, this surely isn't offering hope to anyone, but I would argue to differ with you because one kind act can lead to another and that can set off a wildfire of kindness which leads to hope and love. Jesus said; "do not be overcome by evil but overcome evil with good." Romans 12:21 By being kind we can change the atmosphere in any room and in many times the out come up someone else's day. Application; it's easy. Just open your heart and your eyes and ask Jesus to give you an opportunity to be kind to someone that comes along your way that day. If it's appropriate ask that person if you can pray for them, you never know who God might allow you to bless, and we know that God's word says that it is more blessed to give than to receive. (Acts 20:35)
